

Services

We have ASE Certified Installers

At Precision Performance we Sell and Install High Performance Car Audio and Security Systems.

We do custom installations.....Like Custom enclosures and Amplifier Racks.

We can add Components to your factory Radio.....like Sat Radio, Ipods, MP3 players, Video systems, High power Subwoofer and component speaker systems.

In Security we install alarm systems and add ons like.....Remote Car Start, Pager, Vehicle Tracking.

We can also beef up your electrical system with Hi amperage deep cycle batteries, 0 gauge wiring systems and High output alternators. Come to us for all your Car Entertainment and Security needs.
